Thursday, documents were presented and testimony taken in reference to the route from Tiridad, Col., to the nineteen routes named in the indictment. cer information in regard to our plan of selling, at | tions the report of the naval committee in re-Guitanu.

NEW YORK. June 29 .- Dr. John P. Gray, of Utien, telegraphs to the Herald from Oshkosh. Wis., that he has not changed his opinion of Guiteau's sanity, and considers the assassin same and responsible. WASHINGTON, June 29.—An effort will be made to discusde Mrs. Scoville from attenderuption of cranks. Yesterday an inventor begged Dr. Hicks to take a picture of his patself on one of his own scaffolds he would raphy.

cheerfully certify to the machine. The in-Walker yesterday went to the White House to | Hicks after the execution. urge a reprieve for Guiteau, but was not permitted to see the president. The jail is daily cution of murderers will be observed in this

There can be no dissection of Guiteau's body without the consent of his relatives, as Judge Cox did not add, as the law authorises, this provision to the judgment of death. It is understood that his counsel and relatives and friends desire an autopey in the hope of showing his brain was diseased. Rev. Hicks says that before Guiteau is

hanged he will read an invocation of a personal nature with political aliusions. It is enurely proper in tone, and free from feelings of malice or ugliness. Guiteau said yesterday that he had not prepared a speech, but 'I bave written with great care as invocation the doity which I shall present in case I go off Friday. Dr. Hicke has it, and the presideat has a copy of it." Hicks called at the White House to-day to see if further information was desired from him in reference to the amendo, and to hear if there was any. When he retired Mrs. Scoville and daughthing to be communicated in regard to the ter and John Guiteau were admitted. The case. It is stated that the president has no interview with the prisoner lasted fifteen question bearing on the case of Gotteau before minutes, the warden and deputy being presnim at all. The matter has been disposed of so | ent. Guiteau was at first much excited. far as the president and cabinet are concerned, roundly abusing the president and "those and will not be again coundered. The president," as he termed them, who had

president's private secretary.

BIS TALE.

Guiteau said the other day that he was

The president has decided to hear no fur- | In a few minutes he calmed down, and said ther applications in the assassin's behalf. Those who call may submit their views to the

sorry Dr. Hicks, whom he is very fond of, wasn't going along with him. Guttean onor remarked: 'I don't want the president to 'I don't want the president to weaken at the last mothers and send me a re- day." prieve when I am on my way to the prilone parted. When I get out there, and am all ready to go, I want to go." One of the prison officers posed, and apparently in deep meditation. said yesterday, that he regarded Guiteau as absolutely the meanest prisoner who ever attributed his crime to abject meanuous rather than to insanity or inspiration. In his ton: Joseph Parrist, of Burlington, N. J. inspiration theory, and his talk about being "God's man" and under divine protection. and makes absurd suggestions to delay the execution beyond the latest hours named, as if he would make the plea that his hanging after this hour would be illegal. The guards allege that instead of sleeping soundly as he did a few weeks ago, his sleep is now so light that he answers immediately if spoken to Guiteau yesterday declared: "I was directly inspired by the deity to remove Gardeld Can you find any man, no malter what his politics, who will say it has not resulted for the benefit of the party and the nation? If he and Blaine had been permitted to continue as they were going, this country would be in war with Chili to-day. It was a good thing. The time will come when I will be looked upon as a patriot. Poor Gardeld had to go because be was under bad and malign influences. It is not Guiteau who is In trouble. It is the people of the United States, who are on the brink of crime, Guiteau, the inspired, i all right, but those who hang him will wish they bad never been born. Ob, I wish the president had the grit to put this thing off till January. Dr. Beard will write a book about me whether I'm dead or ative, and heing published by some good house in New York and

bound with my book of 'Truth,' it would maken sensation and be an important factor infithe education of the people." Guiteau also claimed that he was as sane as anyhody. Quiteau cent to the president a paper entitled "God's Ways." The document sims to show from the Scripture how God always vindicates his man. Quitenu was to-day apparently less concerned about the execution than any other person about the fat). He seldom alludes to the subject voluntarity and when he does his utterances are so confrathetory that it is still a matter of speculation whether he is convinced that the excoution is irrevocably fixed and has nerved himself to assume indifference, or, as some bethat at the last moment something will inter-"I want you to go to the president and tell him that if he is going to do anything I want bim to do it at more.
